Safeguarding Policy

Adopted by Ogbourne St George Parish Council

On

11th July 2024

To be reviewed annually

Policy Statement

In the interests of child protection and the welfare and protection of vulnerable adults, Ogbourne St George Parish Council is committed to ensuring that children and vulnerable adults are protected and kept safe from harm whilst they are engaged in any activity associated with the Parish Council.

Definitions

Abuse of children can take any of the following forms.

- Physical abuse
- Sexual abuse
- Emotional abuse
- Neglect

The characteristics of adult abuse can take a number of forms and cause victims to suffer pain, fear and distress reaching well beyond the time of the actual incident(s). Victims may be too afraid or embarrassed to raise any complaint. They may be reluctant to discuss their concerns with other people or unsure who to trust or approach with their worries.

There may be some situations where victims are unaware that they are being abused or have difficulty in communicating this information to others.

Bullying will **not** be tolerated in any form, be it verbal or physical.

Policy Objective:

- To ensure that where possible all facilities and activities offered by the Parish Council are designed and maintained to limit risk to children and vulnerable adults.
- To promote the general welfare, health, and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.

- As the Parish Council does not directly provide care or supervision services to children and vulnerable adults, it expects all children and vulnerable adults using its facilities to do so with the consent and the necessary supervision of a parent, carer, or other responsible adult.

Aims

The aim of this policy document is to guide members of Ogbourne St George Parish Council should any child protection issue or any issues with vulnerable adults arise during their work.

 - Facilities offered by the Parish Council have been inspected on a regular basis and at least annually by a competent person.
 - Sharing information about child protection and good practice with partner organisations, councillors, employees, volunteers, parents, and carers.
