CC: Weather Team
Attachments: Blank PEAS form 2023 -24 .docx

Good morning

We are now beginning our planning for the 2023/24 winter season. Attached is the PEAS application form for next season, please complete it with your requirements and return to the Weather Team (weather.team@wiltshire.gov.uk) before the end of August. Please can you ensure that if you are applying for PEAS equipment that you have checked your stocks beforehand.

As per last year we will only be attending to salt bins that have been reported empty. We would be grateful if you could undertake an audit of the salt bins in your parish and let us know which ones require refilling or replacing due to damage. If you would like a plan of your parish showing where we believe the grit bins are located, then please let us know. You can either submit your audit direct to the Weather Team or report them via the My Wiltshire online reporting app. [Map \(highway-iams.uk\)](https://www.wiltshire.gov.uk/my-wiltshire) Furthermore, if you would like any assistance in developing a snow or flood plan to sit within your community emergency plan then again let us know and we will be happy to help.

Regards

Nicola Mundy
